are going to work out for the best. through it all, just stay calm and keep believing things another condition that will try our souls. Otherwise; Sometimes it could be a matter of patience; this is

First, we must take immediate precaution if there is immediately danger. Then, after that; remaining calm should help us to keep things together before anything else occurs.

Storms of life do happen from time to time. There are different ways to react if you are being fought -- but before the situation gets out of hand, our Faith in Christ should guide us to take proper steps before making a response!

**(Heaven Knows)  
Poem**

**Only Heaven knows how very real:  
Beauty and grandeur: how it feels.  
Majestic power with streams of light  
A God of love: and a God of might!**

**We do ponder as we also search  
Read our Bible and go to church  
To carry-on as we do our best:  
We seek and pray: then we rest.**

**Way up high... beyond this sky  
Not a single soul to ever die!  
Peace forever with no turning back  
Where Faith became an eternal fact!**

**Standing in awe there face to face  
Beholding their Savior in that place!  
As Angles sing upon that shore  
Home with Jesus forever more!**

Proverbs 3:5 Trust in the LORD with all thine heart; and lean not unto thine own understanding. 6: In all thy ways acknowledge him, and he shall direct thy paths.

It's not because things are not the way they should be: but sometimes it is a matter of giving God time to do what must be carried out on His side. The Lord has a reason for things that are happening, which we often don't understand. To trust God always is to give Him praise as He does whatever is necessary to answer our prayers in accord with His will. From there, someone may ask, then why pray if He has His own way of doing things? Prayer is there to line us up with doing things Gods way, rather than just trying to do things our way. Otherwise; we always have Faith to fall back on until things are back in line as the situation is resolved! The key is to keep pressing on in Jesus and live day by day in the pathway of His love and Grace! God knows best and He also wants the best for you! If... even more than you do! Amen to Jesus!

**(Help for the Hurting)**

Our needs are great, but we have a greater God that can meet those needs. This gentleman was in need of food and it was provided by someone that does not look to be recognized, but they want others to recognize the need that is before our very eyes. This gentleman went from tears of sadness to tears of joy once he saw he was special in God's sight! This is a real life situation relating to a Human Being that has feelings, although he has been knocked down by circumstances. When a person helps meet a need such as this, it is then God steps in and takes over to give those that are hurting real hope.
