

"Dear Lord Jesus: I'm sorry for my sins. I repent and put my trust in the Blood that You shed for me on the Cross. I now accept you as my Saviour and have faith in your Holy Word. Thank you for saving me."
 please pray this prayer :
 To accept Jesus Christ as your Saviour
 (Plan Of Salvation)

 Get back up while you can and let God take you by the hand!
 A broken spirit has a potential to overtake itself without being able to get back on track just by refusing to get the right help!

 A person of (little faith) can easily become bitter, and unless they repent; thoughts of turning back could become a reality!

 Faith is increased by those that are more determined to continue their calling, even when being fought!

 Go forth into the (Pathway of Light) where darkness is expelled and truth is consumed.

 To give your cares back to God is to carry-out what was intended to be completed as hope takes the place of fear and doubt.

 To carry on is to use obstacles or set-backs as a tool of conditioning!

(God loves You)
 Poem

 God is wonderful Jesus our Lord
 His yoke is easy not too hard.
 Here on earth our God will hear:
 Help is available: Jesus does care.
 God loves you: everyone must know
 Jesus came here His truth to show.
 He is lord: the everlasting Christ...
 He saves from sin: He gave His life.
 If you are seeking this path of hope
 Call out to Jesus: by Grace we cope.
 Receive by faith what is eternally true
 Remember this also: God loves you!

for His Son, Jesus Christ.
 thankful for what God has allowed you to know and do
 It is from there you find contentment and become
 His Truth over your own knowledge and ways.
 To give glory to God is to always acknowledge
 There's nothing wrong with honest labor, but when it takes preeminence over the things of God... what you have then has become a curse rather than a blessing!
 Therefore; if it is yours and you earned it, what is it to say you can't lose it faster than you earned it?
 Had God not given you the strength to do the work you would be back where you started; without anything!
