

"Dear Lord Jesus: I'm sorry for my sins. I repent and put my trust in the Blood that You shed for me on the Cross. I now accept you as my Saviour and have faith in your Holy Word. Thank you for saving me." please pray this prayer :
To accept Jesus Christ as your Saviour

Philippians 2:13: For it is God which worketh in you both to will and to do of his good pleasure. 14: Do all things without murmurings and disputings: 15: That ye may be blameless and harmless, the sons of God, without rebuke, in the midst of a crooked and perverse nation, among whom ye shine as lights in the world: 16: Holding forth the word of life; that I may rejoice in the day of Christ, that I have not run in vain, neither laboured in vain.

(Looking Upon Jesus)
Poem

Looking upon Jesus
Love consumes my soul.
Living on earth for Christ:
Soon upon Streets of Gold.

Behold the Lamb of God:
That washes away our sins.
To speak His name forever
You must be born-again!

There are others that knows this:
That wants to do God's will.
Looking upon Jesus...
Finding comfort if feeling ill.

There is no other like Him:
Jesus meets our every need.
That is why we praise Him:
Let us plant the Gospel seed.

Thank you Lord for saving me:
You are my all in all...
Spreading good news to others:
Looking upon Jesus is my call.

The only way to have such courage and determination; we would have to look at more reason to carry-on with no excuse to ever turn back or give up.
That's why apostle Paul said:
Philippians 3:13 Brethren, I count not myself to have apprehended: but this one thing I do, forgetting those things which are behind, and reaching forth unto those things which are before, 14: I press toward the mark for the prize of the high calling of God in Christ Jesus.

To continue in this condition... it may lead to a very serious problem in relation to that person's level of being able to face the challenges that are before them.
God has also given us the capability to seek things out that we don't understand knowing that it would help us better be equipped to handle things that we were not prepared to deal with beforehand.

When it comes to what all we need to know, it is obvious that to avoid learning these things, this would place someone in the position of not having a necessary understanding concerning a situation!
