

Someone said the other day that they didn't understand why people that hates this Country will not leave and go elsewhere to another Country to live.

In many cases, other Countries would not want them there if they have that kind of attitude! If they hate their own Nation what is it to say that they won't try to tear down another Nation!

There are problems in this world but there is only one Saviour! The Lord Jesus Christ is the only One that can protect and provide for any town, or Nation. To try and make it without Christ is the biggest mistake anyone could ever make!

If you do put your trust in Jesus, you will do what you can to help your city, State or Country! The decision is left up to each individual. Make it right with God and all will work out for good!

Philippians 4:13 I can do all things through Christ which strengtheneth me.

## True Peace

Faith Article

Often, sad to say, folks anticipate the worst to happen but hardly ever expect the best! If this be the case, then it's necessary for me to say that the worst thing that could happen to anyone is that they do not trust Jesus with their cares.

This means that even when a little-doubt shows up, we have a great God that came to this wicked earth to conquer doubt and fear so that we as Christians can have true peace!

Now, when someone does not surrender their heart and life to Jesus, they are supposed to feel a (trembling of the spirit), because they are lost in sin! But stranger than that, some lost people seem to have more excitement in life than someone that is eternally saved. Sure, their excitement is either put-on, and only temporary; however, as a Believer, we are guaranteed healing over pain, victory over defeat and life over death.

Remember this as well; the Truth will always expose a lie! Therefore, be warned that Christians are constantly being lied to by Satan when it comes to making us think the worst.

As a Child of God, we have hope, but we must put our Faith into practice to overcome doubt and intimidation! Do not be fooled: Our God is always able: so, carry on in Faith because the best is already here and there is more on the way!

Keep praising Jesus and be assured that God loves you!

If you are lost, cry out to Jesus right away!

### (Love Can) Poem

As my thoughts now are written:  
Love can comfort: evil is smitten!  
The message is here for a reason:  
Jesus Christ is there every season!

Going forth while doing God's will  
Love can deliver, it can also heal.  
Never ignore what God has given:  
Surrender to Christ by daily living!

Those that follow Truth and Light  
Love can help us win every fight!  
Take all your cares unto the Lord:  
Trusting by Faith is never as hard!

The Word of God is a powerful need  
Love can bless us by giving heed!  
We go forth despite any condition...  
Prayer gives hope by total submission!

**Matthew 3:10 And now also the axe is laid unto the root of the trees: therefore every tree which bringeth not forth good fruit is hewn down, and cast into the fire.**

**Things to know about a Tree**

- (1) Fire Places uses wood
- (2) Houses are built from wood
- (3) Furniture comes from wood
- (4) Certain chemicals comes from wood
- (5) Fences are made from wood
- (6) Jesus was crucified on a cross of wood

A Tree can be beautiful but once it becomes rotten to the core, it must come down! Just like sin... it may seem beautiful and pleasurable to a point, but it is rotten to the core. An ax, saw or high winds can eventually bring down a dead tree. Satan will violently bring down a sinner when they least expect it in order to destroy their soul. Don't fool around with something that is more dangerous than a falling tree; seek the One that died on a Tree, and He will set you free! Jesus Christ is able and He arose from the dead so that we can repent of sin and be saved!
